GUEST SPEAKERS

Karen Leigh Harvey; Eric Horan, Photographer ; Ben and Cassandra Gillens Evening in May 2009 (she sold \$5500 worth of her art that evening...)

ANNUAL MEETING

January 11, 2010, Margy Rich, MFA Savannah College of Art and Design, spoke on her thesis project "on the Interval." Capturing contemplative space reflect her theory that in empty space the intervals between events are as compelling as the event itself.
