

# DATA ISLAND PHOTOGRAPHY CLUB

## DETAILS

Title:	Dataaw Island Photography Club
Date:	June 14, 2018
Time:	1:00 - 3:00 EST
Main Purpose:	General meeting of the DIPC members
Location:	Community Center
Attendees:	12

## NOTES

- **Introduction – Tom Brady**
- Membership: Jim Williams
  - We have two new members this month
  - 31 total members as of June 14, 2018
  - Shutterfly site has 22 verified members; 71% of our members are in our Shutterfly photo sharing area.
- Mentoring- Nikon (Jim Williams), Canon (Sandy Morse) and Fujifilm (Sandy Morse) users. Contact these folks directly for mentoring.
- Website: Bill Riski – DIPC club site at <http://dipc.postach.io/>
  - New “About DIPC” page added to site. Contains the who, what, where, when, why for members or potential members
  - If members find interesting articles they think the club would like, send me email with link and I’ll post on website - see example ‘Meant to Last’
  - I plan to pick photos from our Shutterfly site in the monthly theme folder and post, with attribution, about every 2 weeks. See recent example using Ellen's alligator.
  - General Data Protection Regulation (GDPR) - I’m investigating for several reasons 1) Affects our website if we post photos taken in EU, 2) I plan to take photos in EU in the near future, 3) its now the law in the European Union, and 4) fines for violations range up to \$20M!
- DIPC Photo: Mike Allen - site is at [datawislandphotographyclub.shutterfly.com](http://datawislandphotographyclub.shutterfly.com)
  - Photo Sharing – Theme of the Month
  - June was “Water” - 49 photos posted by 9 members
  - Reminder to new members: see or call me for a quick brief on how to get started on the Shutterfly site.
- July Island ride-about (Jim Williams, Tom Brady) Planning for after July 4<sup>th</sup>. Contact Jim or Tom to join these.

- **Upcoming – Sandy Morse**
  - July meeting will review themed photos posted on Shutterfly. No educational program planned.
  - If there is interest in Lightroom training, Sandy Morse will be glad to do a small class for 4-5 people sometime in July.
  - Tom Brady suggested at a future meeting it would be interesting to have members present a few of their favorite vacation photographs. Could do by theme (e.g., Capitals, Baltic Region, etc.)
  - VAC Summer Arts Exhibit has a theme of Black & White. Drop off artwork (photos!) framed and ready to hang on **Saturday, July 14 from 9:00 to 10:00AM**. Contact Bobbi Weber, VAC Treasurer, for information. DIPC members are encouraged to enter; consider taking a black & white photo with an architecture focus (see below).
  
- **Program – Ellen Corbett**
  - “Composition” – great presentation by Ellen on all facets of composing a photo and developing your eye to recognize which technique works for the scene.
  - Bill will work with Ellen to get the presentation material up on our website.
  - As a follow-on to her presentation, the July photo theme is “Architecture”. She suggested we challenge ourselves to ‘go for the unusual’.
  
- **Slideshow - Mike Allen - Water**
  - Photographers’ comments
  - Members’ feedback

## ACTION ITEMS

### Tasks & Projects

- VAC Summer Art Exhibit on “Black & White” – entries due July 14<sup>th</sup>.
- Future program topics?
- GDPR
